JUNE 2026

My Dear Students,

As we begin this new academic year, I extend my heartfelt wishes for a year filled with success and God's abundant blessings.

Does every day at school enrich the quality of life?

Does every lesson bring clarity in thought?

Does every experience nurture purity of heart and character?

Rajagiri Amala CMI Public School envisions a quality of life shaped by clarity of thought, enriched by purity of character, and lived with purpose.
